

Stay safe. Express yourself.

PROTECTION

- Full face coverage
- Offers protection against droplet and splash hazards
- Reduces incidental face touching

COMFORT

- 1" thick soft brow foam
- Latex-free elastic headband
- Fits over glasses, goggles and face masks

QUALITY

- Robust plastic rivet construction
- Anti-fog coating
- Removable protective film
- Easily cleaned with soap and water.

STYLE

- Adult shield features a non-branded brow label with subtle geometric pattern
- Youth shield features a white brow label that allows for easy personalization
